## NEW KENT SCHOOL DAY SATURDAY, APRIL 14

The New Kent "School Day" was fixed by the teachers and school board last Saturday for April 11. The Charles City "School Day" has been fixed for April 14, at Charles City Courthouse. The people of these counties have taken a deep and keen interest in these school fairs and this year will be the best of any held. We expect large and enthusiastic crowds to attend each of these fairs.

The exhibits this year will be placed and judged before the day set for the fair. Each teacher will see that her exhibit is sent to the Courthouse not later than noon in New Kent April 10, and Charles City not later than noon April 12. We shall have a committee at New Kent April 10, to judge and award prizes and at Charles City April 12. Any exhibit which is not in place by above dates cannot compete for prizes.

Each school is requested to send \$2 to the chairman of the prize committee, Mr. T. N. Harris, for New Kent, New Kent C. H., and Mr. W. M. Nance, for Charles City, Roxbury. These men will act as chairmen of the prize committees in their respective counties. The teachers in each county are responsible for the success of this day and we expect their cooperation in raising at least \$2 for prizes and seeing that the exhibit for her school is sent to the courthouse in time.

The people throughout the two counties are urged to give prizes. Any person wishing to encourage any line of work which is being done is requested to offer a prize to the child doing the best work in that field. The people cannot do anything better than to offer a prize for some excellent piece of work in composition, woodwork, cooking or sewing. Come out and show your interest in these phases of school life.

The compositions for "School Day" have been the most interesting part of our program. We expect a representative from each school.

W. B. Coggin, Supt. Schools.

Miss Elbert Moncre has accepted a position as stenographer in the office of Mayor E. W. Warburton.

## TO AILING WOMEN

A Little Sound Advice Will Help Many a Sufferer in Williamsburg

No woman should consider herself healthy and well if the kidneys are weak. Poisons that pass off in the secretions when the kidneys are well, are retained in the body when the kidneys are disordered. If the kidneys and bladder become inflamed and swollen worse troubles may quickly follow. This is often the cause of bearing-down pains, lameness, backache, etc. Uric poisoning is also frequent cause of headaches, dizzy spells, languor, nervousness and rheumatic pain.

When suffering so, try Doan's Kidney Pills, a remedy that has proven effective in thousands of such cases. Let a Williamsburg woman tell of her experience.

Mrs. J. P. Van Fossen, Colonial Ave., Williamsburg, Va., says: "I am glad to repeat the words of praise I gave Doan's Kidney Pills two years ago. I take them occasionally and they always benefit me. There is nothing equal to this remedy for pain in the back and other symptoms of kidney complaint."

For sale by all dealers. Price 50 cts. Foster-Milburn Co., Buffalo, New York sole agents for the United States. Remember the name—Doan's—and take no other.
